Dawn Steinwright.

Greetings, fellow Carpenters. My name is Dawn Steinwright and I am running for position as delegate to the Pacific Northwest Regional Council of Carpenters. The job of a delegate is to carry information between the local branch of their union and the council which represents the local. If elected, I will bring information to you and take our opinions and concerns to the council. I have previously served as alternate delegate and delegate for local 30 to the PNWRCC. If you approve of my performance as delegate thus far, vote for me to continue serving you. As you decide who you will elect to represent our local, I ask you to consider that a diverse delegate body will ensure a range of different perspectives, and therefore the recollection of a wider range of information when we report back to our members after our quarterly delegate meetings.

Thank you for your consideration.

Dave Quinn.

Thank you for your past years of support as a delegate the time has come again to Elect new delegates and I'm asking for your support and vote again to represent Our local as a delegate for local 30. Thank you.

JR Herrington.

Brothers and sisters - I am asking for your support to serve as a delegate of our local union. I have been a member of local 30 for 20 years, working in the field for 18. I've worked with many of you as a carpenter, foreman, and General foreman. One of my favorite jobs was serving as a job site steward. For the last 2 years, I've continued to serve you as a Representative at the Regional Council where I help work on growing our steward program, including getting a steward on every union project. I chair the steward caucus and truly believe stewards play a big role in strengthening our solidarity. I stand with all our members, you are the reason I stepped up. Please allow me the honor of serving you again as one of your elected delegates.

In solidarity I thank you.

Lee Carter.

Hello my name is Lee Carter, and I have been an active member in local 30 for the past 2.5 years. Throughout my apprenticeship I learned that we are at an important shift in the trades. More apprentices and young journeymen are needed than ever before. Therefore, we need leaders and role models for the next generation to look up to. Delegates are just that. They demonstrate the core values of what it means to be a proud union carpenter and educate new members on what it means to be union. As a member of local 30 I have been running the monthly apprentice union meetings, and have been an active contributor to apprentice ambassadors. I have always looked up to the carpenters that were delegates and leaders in our industry. It was a delegate that helped inspire me to begin running the apprentice meetings, and delegates that have inspired me to run for this position. I know I will be a leader and role model to apprentices and journeyman alike just as previous delegates were for me. Thank you for your time and consideration.

In Solidarity,
Lee Carter

Mandy Richardson.

My name is Mandy Richardson, I am a 6th period apprentice running for delegate to the PNWRCC.

To be an effective delegate we need to listen to our members, be an impactful voice, organize, mobilize and fight against those looking to hurt our family.

I am a Union member of Local 30, delegate for the MLK Labor Council, Chair of the Sisters in the Brotherhood, member of Organized Workers for Labor Solidarity, member of the Union Pride to Work committee and voted Apprentice of the year by Women in Trades.

My history of sitting on these committees and being a member of these organizations make me a well rounded qualified candidate to receive your support and vote. Thank you.

Hello Brothers and Sisters

I'm Jim Saenz and I'm running for the position of Delegate for our Local 30. I have worked in the Industry for many years as a Carpenter and Carpenter Foreman. Presently, I am working as a Representative for our Organization trying to make the best choices for the Organization to move forward in a positive manner. I am currently a Delegate for Local 30 and should I get the opportunity to continue to serve our Local as a Delegate, I will strive to move our Local in a positive manner into the future.

Al Titus.

My name is Al Titus. I am an apprentice instructor at the Renton Training Center. As a delegate, each of us represents 150 carpenters.

As your delegate, I vote on matters brought up at the Regional Council Meetings every three months.

I also serve on the Bylaws Committee of the Regional Council. As a bylaws committee member, we vote to approve changes that locals want to make to their bylaws.

All carpenters can attend Regional Council Meetings and I encourage members to do so. The next meeting will be May 17th at the Sea-Tac Hilton Hotel and then on August 17th at the Hilton Vancouver Hotel.

I feel it is important to report progress made at these meetings and I will continue to do so at local meetings.

One of the most important matters at the Regional Council was the election of New EST (Executive Secretary Treasure), President and Vice President. We have strong people in these positions.

It is an honor to serve Local 30 and I ask for your vote.

Allan Titus

Hector Valencia.

In August 2003 I completed four years of honorable service in the United States Marine Corps. The work ethic I learned at home together with virtues of Honor, Courage, & Commitment instilled in me by the Marines helped me to two meritorious promotions. First to Corporal and then again to Sergeant as the US began operations in Afghanistan and later Iraq.

The same approach that allowed me to be promoted and successfully lead Marines during Operation Iraqi Freedom delivered an opportunity for me in 2006, I was offered a position as a Journeyman Carpenter. Unfortunately, a year later I suffered a traumatic brain injury on a project in Seattle and slowly worked my way back until 2011 when I left to finish my degree.

Upon acceptance to the UW I became associated with the football team as an equipment manager and was introduced to coaching and mentoring young men. I assisted the UW football team for 2 years as a student and have been coaching high school football and mentoring teens ever since.

In 2014 I rejoined the local. I plan to use my leadership and mentoring experience as an asset with the younger generation coming up through the ranks.

Steve Ross.

Linda Romanovitch.

I am a working Carpenter asking for your support to represent you as a Delegate to our Regional Council. I have been an active Delegate for several years and serve as a Trustee to our Local. I take these responsibilities very seriously and am committed to be a voice for rank and file members. I want us to be heard loud and clear at the Council meetings. I am diligent in the critical work of reporting back to you at the Local meeting. Being a Rank and File Delegate holds some serious challenges. Many of the Delegates are Council Staff and the voice of working carpenters is very important. I am passionate about being a union carpenter and want to make sure we take care of our members, build the union and give back to our community. I'd appreciate your vote.

Anders Black.

Hello, I'm Anders Black and I am seeking the positions of Treasurer and Delegate for Local 30. I am a current Delegate and the Treasurer pro tem. I believe when Local money is spent, it needs to be for the benefit of Carpenters and their families. I want all Carpenters, especially those in smaller bargaining units, to be well represented at the Local and Council levels. I look forward to helping our Members, Delegates, and Officers on continuing to build on our Local's success. Thank you for your consideration.
